

DOWNTOWN ST. THOMAS HERITAGE CONSERVATION DISTRICT STUDY – QUESTIONNAIRE AND COMMENT SHEET

PUBLIC CONSULTATION EVENT #1

October 13, 2016 CASO Station, St. Thomas ON

Are you:

- ☐ A property owner in the Study Area?
- ☐ A business owner in the Study Area?
- ☐ A resident in the Study Area?
- ☐ Other?

Do you have a family or personal history in the Study Area? Or can you share any special stories, photos or clippings about the history of the Study Area or particular locations within it? **(If you would like to share items with the project team, please leave your name and contact information)**

What do you notice most when you are in the Study Area? Do you think it has qualities that make it unique or different from other areas in your community or beyond? Please tell us...

What features in the Study Area do you consider to be important:

- ☐ Historical architecture
- ☐ Building types and sizes
- ☐ Landscape features (plants, parks, sidewalk and street paving, widths, etc.)
- ☐ Historical associations or historical commemorative/interpretive features
- ☐ Other:

If a Heritage Conservation District (or multiple smaller districts) were to be established in the Study Area, what do you think would be appropriate boundaries? Are there particular features or locations you think help define the boundaries?

Do you have any other comments about the HCD Study that you would like to provide?

Thank you! Please leave your input in the comment box, or submit to:
