Dear Mr. Vriens,

On June 1, 2024 from 10:00 a.m. to 4:00 p.m., the St. Thomas Municipal Accessibility Advisory Committee, in partnership with the Elgin County-Central Elgin Joint Accessibility Advisory Committee is hosting an AccessAbility Open House in the Doug Tarry Room at the Joe Thornton Community Centre.

The event to promote accessibility was previously hosted at the St. Thomas Senior's Centre and Memorial Arena and contains accessibility-focused exhibits and vendors, as well as door prizes. Similar to last year, there will likely be some guest speakers.

In order to promote the use of public transit for the event, please accept this letter as our request to offer free transit to those attending the event.

We understand that this request will require approval by Council.

We thank you in advance for your consideration of this request.

On behalf of the St. Thomas Municipal Accessibility Advisory Committee,

Michelle Sylvester
Chair
